2nd Best Practice

Use of ICT :-

Projector:-

Projector is used for audio-visual education and enhancing and approaching the intellect of the students to clear their concepts and reach to the depth of the topics and knowledge. It attracts the students towards studies due to several features. The use of projector leads to an effective Studying-Teaching-Learning process and promoting the use of ICT.

Projector

Seminar: -

By the use of ICT, students are trying to present seminar by making PPTs. They are also taking interest in giving seminars. National seminar is being conducted by the college from time to time. The use of ICT is nowadays becoming popular and is at its peak.

Seminar by students through Projector

BCA Course:-

The performances of Govt. Navin Collage- Hasoud in promoting computer education leading to generate employment and self-employment opportunities: The college has been established in 2008 and since 2008 it is trying to give its best efforts and implementations. In the regard, in order to increase employment opportunities for the students, the course of BCA (Bachelor in Computer Education) has been started and running since 2016. In the course of BCA, all the three classes, i.e., BCA-1, BCA-2, BCA-3 is available with 30, 30 and 30 seats respectively for these 3 classes. As we are living in the world of digital India and we know the connectivity of the whole world via. Internet as well as in the era of PANDEMIC –COVID 19, We evidenced the importance of computer education for the purposes of online classes, searches and computerization of every office, Govt. Navin Collage – Hasoud ,with the motive of development of the students and the country, has undertaken several initiatives.
